ML 100383 is sought for mining and associated activities, including mineral exploration, underground mining, construction and operation of renewable energy infrastructure, access tracks, and associated facilities, together with ancillary activities and rehabilitation.

Mining lease application documents

The application documents consist of the Application for Mining Lease and copies of or extracts from the application documents, and the endorsed Mining Lease Notice detailing the location and description of the land applied for (including surface area and access), may be downloaded from the Departments website **https://www.business.qld.gov.au/industries/mining-energy-water/resources/public-notices-tenders** or may be inspected at the Department of Natural Resources and Mines, Manufacturing and Regional and Rural Developments office – **Level 9, 445 Flinders St, Townsville QLD 4810** or may be obtained by contacting the local mines assessment hub on **(07) 4447 9230 or mineralhub@nrmmrrd.qld.gov.au.**

Environmental authority and PRCP documents for EPML00731213

The application documents for the proposal consist of the following:

- **Environmental Authority amendment application form**
- **Environmental Authority Amendment Supporting Information Report**
- **Progressive Rehabilitation and Closure Plan**
- **Information Request Notice and response to Information Request Notice.**

Copies of, or extracts from, the application documents may be inspected at the Department of the Environment, Tourism, Science and Innovation **GPO Box 2454, Brisbane, QLD, 4001** or may be obtained by contacting Permit and Licencing Management by phone on 1300 130 372 or by email on **palm@detsi.qld.gov.au**.

Making a properly made objection/submission

It is advised that any person/entity may make an **objection** to the grant of the mining lease, and/or a **submission** about the application for the environmental authority and PRCP. The **objection/submission period**, during which objections/submissions can be given, concludes on **24 November 2026** at 4.30pm (AEST)**.**

A properly made objection and/or submission must be received on or before 4.30pm (AEST) on the last day of the objection/submission period. It must be lodged with the chief executive in writing in the approved form, addressed to the relevant Assessment Hub:

Mineral Assessment Hub
Level 9, 445 Flinders Street
Townsville QLD 4810
PO Box 1752, Townsville QLD 4810
Email: MineralHub@nrmmrrd.qld.gov.au

A copy of the **objection must** also be served upon the applicant on or before 4:30pm (AEST) on the last day of the objection period at the following address:

MMG Dugald River Pty Ltd
C/- Hetherington Exploration & Mining Title Services (QLD) Pty Ltd
PO Box 49
Spring Hill LPO
Spring Hill, Qld, 4004
brisbane@hemtsqld.com.au

Objection for the mining lease application:

A properly made objection in respect to the grant of the mining lease is one that:

- is lodged, on or before 4:30pm (AEST) on the last objection day for the application with the chief executive in writing in the approved form;
- states the grounds of the objection and the facts and circumstances relied on in support of the grounds
- is signed and dated by each person/entity (i.e. signatory) making the objection; and
- states the name and address of each signatory.

Intending objectors should obtain the approved objection form (MRA-20) by either contacting the relevant assessment hub on (07) **4447 9230** or online from the department's website: **https://www.business.qld.gov.au/industries/mining-energy-water/resources/applications-compliance/forms-fees**.

Submissions for the environmental authority and PRCP application:

A properly made submission must meet all of the following requirements:

- be written or made electronically
- state the name and address of each submitter
- be made to the administering authority stated above
- be received on or before the last day of the submission period
- state the grounds of the submission and the facts and circumstances relied on in support of the grounds.

Intending submitters may contact the Department of the Environment, Tourism, Science and Innovation on 1300 130 372 (select option 4) to obtain a submission form or obtain a copy from the department's website at Submission form: Application or amendment application for an environmental authority / PRC plan / PRCP schedule (ESR/2015/1617)1. If you wish to make submissions electronically, please use submission form (ESR/2015/1617) as a guide about the matters that are to be included.
