

MINERALS AND METALS GROUP

**Building the next generation's
leading global diversified
minerals and metals company**

MMG - WHO WE ARE

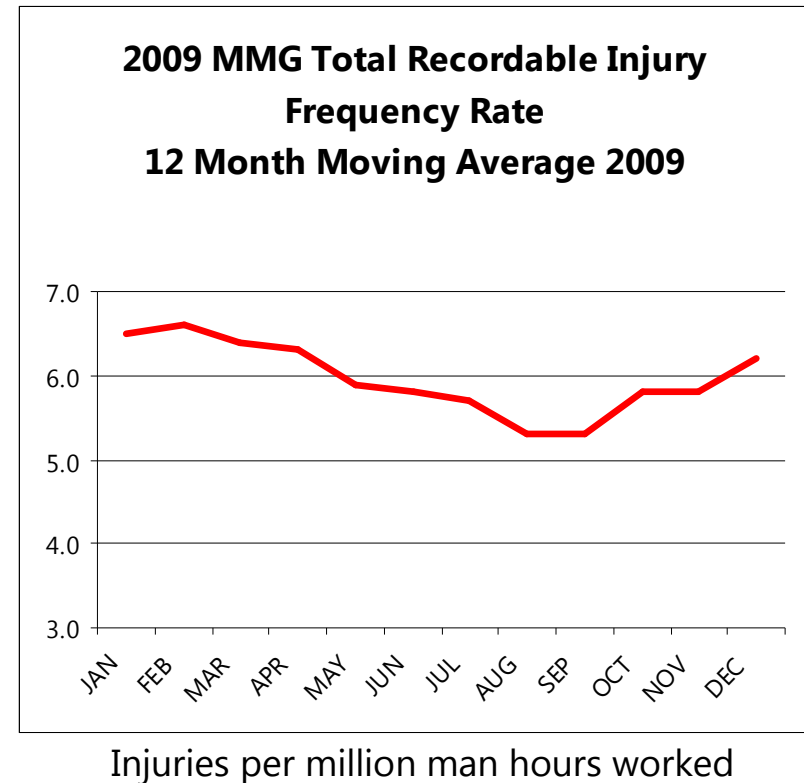

SAFETY

> Our Vision

- Zero harm and fatality-free

> Our injury prevention principles

- All incidents, injuries, fatalities and occupational exposures are preventable
- No task is so important that it cannot be done safely
- Management is responsible for creating and maintaining a safe work environment
- We are all responsible for preventing injuries to ourselves and others.
- Everyone is empowered to stop unsafe behaviour.
- We will promote off-the-job safety for our people.

CENTURY

Location	Queensland, Australia
Elements	Zinc, lead, silver.
Current Stage	In production, open cut mine. Exploration.
Type of mineral rights	Mining Leases and Exploration Permits.
Minerals Resources – June 2009	Total zinc (Mt) 5,094 Total lead (Mt) 640 Total silver (Moz) 47.3

CENTURY

Mine – Lawn Hill

Port - Karumba

GOLDEN GROVE

Location	Western Australia, Australia
Ownership	MMG 100%
Elements	Copper, zinc, gold, silver.
Current Stage	In production, underground mine. Near mine exploration.
Type of Mineral Rights	Mining Leases and Exploration Permits.
Minerals Resources June 2009	Total zinc (Mt) 1,157.3 Total copper (Mt) 702.0 Total lead (Mt) 96.9 Total silver (Moz) 38.7 Total gold (Moz) 0.9

SEPON COPPER AND GOLD

Location	Savannakhet Province, Lao PRD
Ownership	MMG: 90% Government of LPDR: 10%
Elements	Copper, gold, silver.
Current Stage	In production. Open cut mine. Exploration.
Type of Mineral Rights	Mineral Exploration and Production Agreement (MEPA).
Minerals Resources – June 2009	Total copper (Mt) 1,638.7 Total gold (Moz) 3.2 Total silver (Moz) 14.5

GROWTH PORTFOLIO

Development Projects

- > Dugald River, Queensland, Australia
 - Zinc, lead, silver
- > Izok Lake, Nunavut Territories, Canada
 - Zinc, copper, lead, gold

Exploration Projects

- > Base metal exploration projects underway in Australia, North America and Asia.

GROWTH OBJECTIVES

“MMG will serve as an international investment platform for Minmetals”

- Mr Zhou Zhongshu, President China Minmetals
- > Targeted, value-focused acquisition program
- > Main focus Zn, Cu and Ni, Flexible on Geography
- > Late stage development through to operating
- > Majority/Operating preferred but not essential
- > Unique combination of Chinese ownership and international management

➔ MMG seeks to be partner of choice
