DUGALD RIVER ZINC CONCENTRATE SALE AGREEMENT

DUGALD RIVER ZINC CONCENTRATE SALE AGREEMENT

On 2 August 2022, the Seller entered into the Dugald River Zinc Concentrate Sale Agreement with Minmetals North-Europe in relation to the sale of the Product by the Seller to Minmetals North-Europe for delivery in 2023.

Minmetals North-Europe is a wholly owned subsidiary of CMC, the ultimate controlling shareholder of the Company, and is therefore an associate of CMC and a connected person of the Company under the Listing Rules. As a result, the Dugald River Zinc Concentrate Sale Agreement constitutes a connected transaction for the Company.

As each of the relevant percentage ratios in respect of the maximum transaction value on an annual basis relating to the Dugald River Zinc Concentrate Sale Agreement (by itself and when aggregated with the 2022 Agreement) are more than 0.1% and less than 5%, it constitutes a connected transaction which is subject to the reporting, annual review and announcement requirements under Rule 14A.76 of the Listing Rules, but exempt from the independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

DUGALD RIVER ZINC CONCENTRATE SALE AGREEMENT

As part of the ordinary and usual course of business, the Group sells its products to the CMC Group.

On 2 August 2022, the Seller entered into the Dugald River Zinc Concentrate Sale Agreement with Minmetals North-Europe in relation to the sale of the Product to Minmetals North-Europe for delivery in 2023. The principal terms of the Dugald River Zinc Concentrate Sale Agreement are set out below.

Parties	:	(1) Seller: MMG Dugald River Pty Ltd (2) Buyer: Minmetals North-Europe
Term	:	From the date of the Dugald River Zinc Concentrate Sale Agreement until all obligations of the parties are fulfilled.
Quantity	:	Approximately 20,000 dry metric tonnes of Product (+/- 10% at Seller's option) to be delivered in bulk, in two lots of 10,000 dry metric tonnes each, for shipment during 2023.
Pricing	:	The pricing of the concentrate was determined after arm's length negotiations and is comparable with the market for concentrate qualities such as Dugald River zinc concentrate.
		Prices shall be: <ul style="list-style-type: none"> • calculated based on agreed amounts of: <ul style="list-style-type: none"> ○ zinc contained in the Product at the Special High Grade Settlement Price for zinc as quoted on the London Metal Exchange; and ○ silver contained in the Product at London Bullion Market Association Silver Price spot quotation, each averaged over the agreed quotational period; • less an agreed treatment charge which is consistent with treatment charges prevailing for comparable sales of zinc concentrate at the time of this Agreement.
Transaction Value	:	If the transaction was executed on 2 August 2022, it would be valued at approximately US\$25 million.
Delivery Terms	:	Shipment shall be arranged by the Seller from the delivery point nominated by the Seller to the place of final destination nominated by Minmetals North-Europe on a CIF (Incoterms 2020®) basis.

The Dugald River Zinc Concentrate Sale Agreement also sets out, among other things, specifications, shipping schedule, delivery terms, payment terms, quotational period and other usual conditions (including those dealing with title and risk, insurance requirements and termination and suspension rights).

The terms of the Dugald River Zinc Concentrate Sale Agreement were arrived at after arm's length negotiations between the Seller and Minmetals North-Europe and these terms are consistent with prevailing market rates and conditions for comparable zinc concentrate.

REASONS FOR AND BENEFITS OF THE DUGALD RIVER CONCENTRATE SALE AGREEMENT

The Group's principal activities include the production and sale of metal products, including copper, zinc and lead concentrates. As part of its ordinary and usual course of business, the Group sells some of its products to the CMC Group at prices and on terms which are consistent with prevailing market rates and conditions for the relevant products.

The Dugald River operation produces approximately 360,000 dry metric tonnes of zinc concentrate per annum. China is an important market for zinc concentrate and the CMC Group has investments in several major Chinese zinc smelters which are in a position to process Dugald River zinc concentrates. CMC also has trading relationships with other Chinese zinc smelters which may process Dugald River zinc concentrates.

The Dugald River Zinc Concentrate Sale Agreement has been reviewed and approved by the Directors (including the independent non-executive Directors but excluding the Interested Directors), who are of the view that the terms of the Dugald River Zinc Concentrate Sale Agreement and the transactions contemplated thereunder are on normal commercial terms, and are fair and reasonable and in the interests of the shareholders of the Company as a whole.

The Interested Directors, each holding position(s) at CMC and/or CMN, have abstained from voting on the Board resolution approving the Dugald River Zinc Concentrate Sale Agreement in order to avoid any possible conflict of interest issue.
